

A wide-angle photograph showing a large outdoor gathering. Numerous rows of white plastic chairs are arranged on a paved area. In the background, a modern, multi-story building with large glass windows and a flat roof is visible. To the left, there is a tall, lattice-structured tower. Several people are standing near the building entrance, and a white van is parked nearby. In the foreground, two men are seated in the chairs, looking towards the camera. The sky is overcast.
