

@AbdullahGAlZaid

A staff member wearing a yellow protective suit, a blue face shield, and a blue surgical mask is standing behind a glass-enclosed service counter. They are handing out blue pamphlets to a person whose hands are visible in the foreground. On the counter, there are several stacks of these blue pamphlets. In the background, another person in a white protective suit and mask is visible near a red chair. The setting appears to be a public health or administrative facility.
